

Mandriva PWP 2011 will be produced and will be available not later than November, 15th, 2011

Just a few hours ago, we received the following letter by **Jean-Manuel Croset** (Mandriva COO)

Dear sir or Madam,

Following my email dated september, 29th, please be informed that the PowerPack 2011 will be produced and will be available not later than November, 15th, 2011.

I'd like to use this opportunity to thank you all for your encouraging comments and assure that we'll work hard to produce a nice PowerPack version 2011.

Thank you for your support!
